

Dear Valued Zinsser NA, Inc. Customer,

First, I would like to thank you for your trust and loyalty in purchasing ILS products from Zinsser NA, Inc. I have enjoyed our working relationship these past years and am writing to let you know that I have decided to sell my business and will retire shortly.

Second, I am excited to announce that Zinsser NA, Inc. is now fully owned by Ingersoll Rand.

Ingersoll Rand, merged with Gardner Denver (who previously purchased ILS) in 2020 and is driven by an entrepreneurial spirit and ownership mindset, focused on helping make life better. The company provides innovative and critical industrial, energy, medical and specialty vehicle products and services across 40+ respected brands designed to excel even the most complex and harsh conditions where downtime is especially costly. The employees connect to customers for life by delivering proven expertise, productivity and efficiency improvements and I am sure that they will continue the strong customer relationships and service that you have come to expect from Zinsser NA, Inc.

We are excited to have the Zinsser NA brand and team join the Ingersoll-Rand brand of companies and specifically those of us at TriContinent are happy to continue to extend the level of support that you have grown to expect from Zinsser NA.
